We are sad to hear about the sudden passing of **RANGER**, a one-and-a-half year old German Shepherd rescued by the Hull's Haven Border Collie Rescue. Ranger and his foster mom recently joined the Canadian Animal Blood Bank and he had his first donation with us on Jan. 11, 2012. He did an amazing job and has already made a difference for those dogs in need. Our thoughts go out to the staff at Hull's Haven Border Collie Rescue and as well to his foster families who had taken him in and showered him with attention and love that he so deserved.

Canadian Animal Blood Bank NEWSLETTER

2012~ISSUE 9

CABB Celebrates!

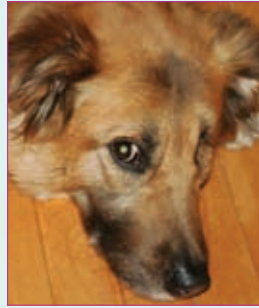

The Canadian Animal Blood Bank celebrated its 15th anniversary with a **DONOR DOG PARTY** on Sunday, September 11, 2011 at The Forks. All canine donors and their owners from Winnipeg and surrounding area received an invitation to come and celebrate CABB and to recognize the milestone canine donors who have 15 or more donations. Each of the milestone donors and their owners received a framed certificate of achievement with the donor's name and number of donations. Many of these canine donors are still donating today.

A kiosk destination site offered buckets of water and homemade liver treats specially made by **Beth Knight**, CABB Laboratory Director for dogs, as well as T-shirts donated by **Nutro** to all our canine donor-owners. Door prizes of \$100, \$75 and \$25 gift cards, generously donated by **Fenwal** and **IDEXX**, were handed out to three lucky owners in attendance.
