## In Memoriam ~ Rest in Peace

We are sad to hear of the sudden passing of **SKEETER**, a 9 year old Labrador retriever and loved member of the Hiebert Family. Skeeter first joined us for his first donation back in 2007, and continued to donate a total of 13 donations, along with his brother **COOTER**. Our thoughts go out to the Hiebert family who showered Skeeter with the love and attention he so deserved.

CABB is also sad to hear about the recent passing of one of its long-time donors, **AMOS Purcell**. Amos will forever remain in our memories and was unconditionally loved by his family and donor sister, **ABBY**.

2012~ISSUE 10

## CABB TRAVELS!

Every week, the **Canadian Animal Blood Bank** depends heavily on the local veterinary clinics throughout Winnipeg to host us for blood donor clinics. In years past, CABB hosted its canine blood donor clinics at the Red River College Notre Dame Campus (and still does), but is now privileged to be able to travel to the various hosting clinics throughout the city (and even as far as Brandon!). The ability to travel allows CABB added convenience of our volunteer owners and their donor companions.

The Canadian Animal Blood Bank would like to thank the staff of **Transcona Veterinary Hospital** and the **Fort Garry Veterinary Hospital** for welcoming us into their clinics and becoming part of our team this past spring. We look forward to extending our current donor base with the added convenience for current donors who reside near these clinics!

For a list of hosting clinics in your area, please contact the office of the Canadian Animal Blood Bank!
